Re: America Better: Together  
Committee ID: C00629725

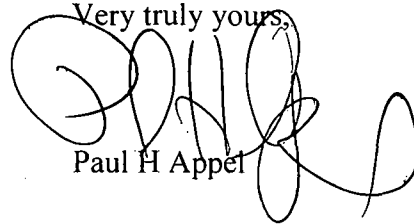

Gentlemen:

I was previously advised that since we have had no banking activity since the opening of the PAC, we could simply send a letter advising of that fact. We did so on January 23, 2017. I have since received emails requesting that the report be filed. Enclosed please find Form 3X for the period from December 9, 2016 when the PAC was formed through December 21, 2016.

Please let us know if anything further is required.

Very truly yours,

Paul H Appel
